

Year 11 Curriculum subjects								
Date	Assessment	Physics	Computer Science	Geography	BTEC Construction	BTEC Engineering	Art and Design	I Media
22/03/2021	Assessment window 1 Mini Assessments and Coursework completion	Revise-a-unit, test-a-unit' Units C11(Earths resources) C12(Earths atmosphere) , P12(EM Waves) and B17(Biodiversity and ecosystems)	Data Storage/Secondary Storage/CPU	Revision for Rivers	Learners to focus on Unit 3 Construction and design Learning Aim A assignment. Completing assignment when in computer room and working through theory for Learning Aim B & C when in classroom.	Learners to focus on Unit 7 Machining Techniques LA B Design and Manufacture of a Hammer. Workshop: Setting up the lathe & facing off both ends of the bar. Classroom: LOGBOOK EVIDENCE write up B1 Features of the Workpiece	Modifying and adapting exisiting coursework - fish observational drawing 1-2- 1s	R082 - Coursework Completion - LO1 - Research report and LO2 - Planning
29/03/2021		Revise-a-unit, test-a-unit' Units C11(Earths resources) C12(Earths atmosphere) , P12(EM Waves) and B17(Biodiversity and ecosystems)	Computer Hardware/CPU and Mini Assessment	Mini Assessment- Uk Physical landscapes - Rivers	Learners to focus on Unit 3 Construction and design Learning Aim A assignment. Completing assignment when in computer room and working through theory for Learning Aim B & C when in classroom.	LA B Hammer Head Production Workshop: Lathe: drill centre hole into each end of the bar and 10mm hole, then turn down the bar until 20mm diameter. Setting up the Pillar Drill/Vee blocks and clamp to drill centre hole at 6mm in hammer head Classroom Classroom: LOGBOOK EVIDENCE write up B2 Machining Parameters and B4 Safety	Modifying and adapting exisiting coursework - fish observational drawing 1-2- 1s	R082 - Coursework Completion - LO3 - Making Image and Feedback
Easter Holiday								
12/04/2021	Assessment window 2 Mock Exams and Drop Down Extra time for vocational subjects		Mini Mock - Students to have a 1 hour 15 minute paper based on topics learnt in Year 10 and 11	Paper 1 - Living with the physical environment	Learners to focus on Unit 3 Construction and design Learning Aim B & C theory.	LA B Hammer Handle Production facing off both ends and turning a taper on the handle. Progress to drilling Workshop: : LOGBOOK EVIDENCE write up B2 Machining Parameters and B4 Safety	Modifying and adapting exisiting coursework - Architecture project.1-2-1s	R081 - Exam questions. Review past papers and exam material
19/04/2021			Operating Systems/Utility Software/Application Software	Paper 2 - Challenges in the Human environment	Learners to focus on Unit 3 Construction and design Learning Aim B & C theory.	LA B Hammer Handle Production continue facing off both ends and turning a taper on the handle. Progress to drilling Workshop: : LOGBOOK EVIDENCE write up B2 Machining Parameters and B4 Safety	Modifying and adapting exisiting coursework - Architecture project.1-2-1s	R085 - Coursework Completion - LO1 - Research of different Websites, LO2 - Planning own website
26/04/2021		Physics Paper 2 reduced content mini-mock prep. P9&10 (Forces and motion)P11(waves),P12(Ele ctromagnetic waves) Sitting 30th April	Networks/ Network Types/Network Topologies/Mini Assessment	Exam Board Questions - Hazards	Learners to focus on Unit 3 Construction and design Learning Aim B & C assignment.	LA B Hammer Ends Production facing off both nylon stoppers and turning them down to fit the ends of the hammer head: Classroom: LOGBOOK EVIDENCE write up B2 Machining Parameters and B4 Safety and adding photos for B3	Modifying and adapting exisiting coursework - Anatomy project.	R085 - Coursework Completion - LO3 - Creation of Website, LO4 - Feedback and Evaluation
03/05/2021	Feedback week to students and parents - Parents Evening Diagnostic, targeted support for students		Pseudocode/Flowcharts/Pr ogramming Scenarios					
10/05/2021	Assessment window 3 Mini Assessments including Exam board materials Final submission of all work	Selective use of exam board materials to boost gaps from mini-mocks	Envrionmental Issues, Ethical Issues, Privacy Issues	Exam Board Questions - Physical landscapes	Learners to focus on Unit 3 Construction and design Learning Aim B & C assignment.	LA B Hammer Assembly: Workshop: Complete hammer assembly and quality assuring the hammer is made accurately. Classroom: LOGBOOK EVIDENCE write up B1 features of workpiece B2 Machining Parameters and B4 Safety and adding photos for B3	Modifying and adapting exisiting coursework - Anatomy project.	R086 - Coursework Completion LO1 - Research into different animations, LO2 - Planning out own animation
17/05/2021		Selective use of exam board materials to boost gaps from mini-mocks	Copyright/Cyber Security/Network Security	Exam Board Questions - Urban Challenges	Learners to focus on Unit 3 Construction and design Learning Aim B & C assignment.	Learners to continue to revise for Unit 1 The Engineering World - Exam	Modifying and adapting exisiting coursework - fish project.	R086 - Coursework Completion LO3 - Creating an animation, LO4 - Evaluating and feedback
24/05/2021		No assessments; Skills based activities in the lab to boost core science practical skills and prep for level 3/KS5 courses	Programming Constructs/Data Types/ Opertators /Mini Assessment	Exam Board Questions - Economic World	Learners to focus on Unit 3 Construction and design Learning Aim B & C assignment.	Learners to continue to revise for Unit 1 The Engineering World - Exam	Modifying and adapting exisiting coursework - Architecture project.1-2-1s	Coursework mop up - hand in and organisation
Half term	Year 11 leave 28/05/2021							
07.06.2021	Year 11 - Careers and Destinations support day TBC							
14.06.2021	Deadline for all grades to be entered - 18th June							
Other	Results day - 12th August
