

1. Introduction

This policy statement sets out the UTC's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the UTC's legal obligations under Section 42B of the Education Act 1997.

2. Student Entitlement. All pupils in Years 10-13 are entitled:

- To at least six encounters with approved providers of apprenticeships and technical education.
- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- To understand how to make applications for the full range of academic and technical courses.

3. Management of provider access requests:

A provider wishing to request access should contact Mr D Alboreto, Careers and Partnerships lead.
Telephone: 01925 737067 Email: dalboreto@utcw.co.uk

4. Opportunities for access:

A number of events, integrated into the UTC careers programme, will offer providers an opportunity to come into the UTC to speak to pupils and/or their parents/carers:

	Autumn	Spring	Summer
Year 10	-employer led assemblies -Business Mentoring: Explore -Employability Skills workshop -STEM Saturdays	-employer led assemblies -Business Mentoring: Insight -Destinations drop down day -Meet our destination providers evening -Employability Skills drop down day -STEM Saturdays (Including a dedicated post 16/18 provider fair)	-employer led assemblies -Business Mentoring: Interview -Work experience week -STEM Saturdays
