

Teacher of Mathematics

Introduction

Welcome from Jane Fletcher, CEO and Rupert Nichols, Chair of the Aldridge Education Board of Trustees

Aldridge Education is a norms-led organisation committed to providing an equitable and high-quality education for all. Sponsored by Sir Rod Aldridge, we have a strong desire to be entrepreneurial in approach and to provide our students with all they need to leave compulsory education with genuine choices available to them about their futures.

The trustees of Aldridge Education are both proud of the work being done across the Trust and keen to continue that work as we continue to pursue our mission, build towards excellence, and broaden our scope.

Together, we are looking for an individual with integrity, high standards and a bias for action to join part of our team. Who you are and your approach to your work is as important to us as what you know – we are genuinely in the work together at Aldridge Education and so we are looking for someone who wants to be a part of the team.

Chair of Aldridge Education

Aldridge Education

Aldridge Education is a semi-national multi-academy trust with schools located in West Sussex, London, Salford and Lancashire. We also have family links with Ada, the National College for Digital Skills and we are the lead sponsor for Kensington Aldridge Academy, secondary school of the year in 2018.

Our mission

Our mission is to bring true equity to education through academic rigour and whole-learner development; supporting aspiration for all and leaving no one behind.

Everyone working for Aldridge Education is asked to commit to these norms and to being open to improving our practice as we see ways to better embody both our norms and our mission.

We are Aldridge Education

We all own the name, the right to speak, the reward and the responsibility. We believe the best of each other, speak positively and act with thought and purpose in order to find solutions and to do good work.

The standard is excellence

Excellence is our bar - it's what we aim for together, nothing less - so we support each other to get better faster.

We champion equality

Inclusion and equality are central to our mission. We aim to leave no-one behind and we are fiercely anti-discrimination.

We are in the work together

We each stand by our missions and we act with transparency and clarity. Because we share accountability, we both give and receive feedback. We celebrate honest support that makes us collectively better.

We behave with integrity

Professionalism, honesty and humanity underpin every word and action. Truth and kindness work hand in hand.

We lead by example

We own our responsibility to live our norms. We expect to be role models to those around us in matters both small and large.

We use time well

Time is precious so we work smart. We select actions and tools that provide the most benefit from time invested. We avoid creating unnecessary work for others.

About Aldridge Education

Aldridge Education is a national multi-academy trust which was established in 2016. Our patron is Sir Rod Aldridge, who founded the Capita Group in 1984; under his leadership, Capita grew from a small start-up to an FTSE 100 company.

Imbued with this entrepreneurial spirit, Aldridge now looks after nine schools across the country (with a cluster in the Northwest of England, one school in London and two in Brighton). We also have an adult learning provision, also based in Brighton. Our academies are a mixture of typical and atypical provisions, which specialises in STEM subjects and complements our more creatively focused UTC, based in Media City and in Warrington.

The two key missions which drive our work - to bring learning to life and leave no one behind - ensure our focus on putting equity into education. We aim to equip every single Aldridge learner with the skills and mindset to achieve and thrive in their next steps after school. We have a range of unique USPs which help us to provide our students with varied opportunities for learning and growth: there's our world-class Cricket and Football Academies in Brighton; our strong network of businesses and employers that supports our T Level courses; our new, collaborative sixth form in Darwen; our thriving and busy Growing Together professional development arm, which gives our staff the tools they need to excel in the classroom.

Guided by our operating norms – which highlight our high standards of both work and behaviour – Aldridge Education seeks to give our learners, families, staff and communities the best possible experience in every Aldridge school. That is a bit about our story – and you could be part of it too.
